

Bonnyville Ag Society Gardeners' Day Seed Exchange

We're having a seed exchange again at Gardeners' Day!!

Do you have any unused vegetable or flower seed packages hanging around from previous years you haven't used? Would you like to exchange them for something new? Please bring them to Gardeners Day!!

Guidelines

*You can bring as many packages as your green thumb desires!

Seed packages must have be purchased from a

- * Commercial seed company (e.g. T&T Seeds)
- * Sealed (unopened)
- * Clearly marked with the seed name, along with visible seed directions. (Torn, sun damage, empty or faded packages will not be accepted)

Seed exchangers will get first pick. After that, left-over donated seed packages will be available to fellow gardeners for the taking!!

There will an assigned table, clearly marked for the exchange.

If you have any questions, please feel free to contact Bonnyville Ag Society @ 780 826-3240.
